

SmartPak IQ[®] Large Format Graphics Cases

Intelligent Graphics Protection

When you ship with SmartPak you can rest assured your precious cargo will arrive safe and sound! Don't let the sleek lines and glamorous blue pearlescent finish fool you, IQ is strong and secure even under the most demanding field conditions. Superior durability, along with our all new, easy handling features like in-line skate wheels, quik-flip two-way lid, and balance compensation pull bar makes SmartPak IQ the most innovative large format graphics case ever. SmartPak's cutaway, sculpted sections are precision engineered to add strength and reduce overall bulk. In addition our cases are blow-molded to allow the use of a higher density, more durable polyethelene than conventional rotational molded cases. The double reinforced lid features unique 2-way hinge and Franzen security lock. Think SmartPak for the ultimate in graphics protection.

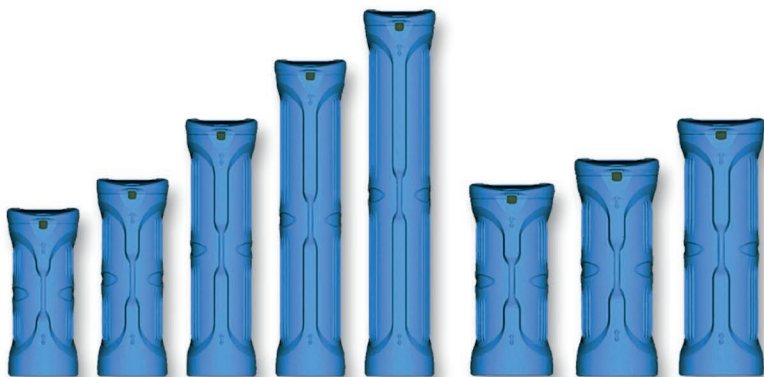

U.S. Patent #6,189,594
