

Hardigg Cases®

# MOBILE MEDICAL CASES

*When lives depend on you, you can depend on us.*

For over half a century, Hardigg Engineers have proudly developed custom solutions for the transport and packaging needs of the US Military. Our innovative products enable sensitive and delicate equipment to travel through hostile environments and arrive undamaged and operational. Many of our models have been tested in the field as well as in combat situations. By developing custom solutions, testing new materials and continuously improving designs based on user feedback, we have been able to build this robust line of medical cases that proudly live up to the harsh demands of military use. We look forward to solving your toughest shipping issues and seriously encourage your requests for specific need cases. After all, when it comes to medical care, top-notch performance matters most.

### The Highest Level of Confidence in the Field

Hardigg Mobile Medical Cases keep your sensitive life-saving equipment and supplies from moisture, dust, sand, salt and even impact. Safe inside, your gear is protected against drop damage while the rib design maximizes stacking and stability en-route. When you open a Hardigg Mobile Medical Case, be assured you'll find what you packed inside arrives fully operational. We know lives are counting on you, so you can count on us.

GSA Contract  
GS-15F-0019M

- Meets Military Specs - MIL-STD-2073 and ASTM 4169, DC18
- Field Tested - Military, FEMA
- Watertight, Heat Resistant - Protected in any Environment
- Lightweight Tough Shell - Fewer Shipping Restrictions
- Edge Casters (most models) - Easy Transport

- Molded-in Hardware Attachments: Extra Tough Attachment & Load Spreading
- Hardware: Corrosion Resistant Black Cobalt
- Scratch Protected Color - Uniform Throughout Case Walls
- Anti-Shear Interlock - Prevents Lid Separation on Impact

Available Colors: Desert Tan, Olive Drab, Gray, Black, Red

This multifunctional medical case has 5 removable totes that allow you the flexibility to package your medical supplies for your specific mission. The case interior dimensions are roughly 29" long, 18" wide and 10.88" tall (5.6 cu ft.). The removable totes combine to be the fastest access, easiest medical multifunctional case possible. The case features a removable lid, pressure equalization vent, comfort grip handles and edge casters for ease of use and agile movement. The set of 5 totes consist of 2 totes (NSN 6545-01-499-5690) that are 9" L x 12.5" W x 10.75" deep, 2 totes (NSN 6545-01-499-5692) that are 6"L x 9"W x 10.75" deep and 1 tote (NSN 6545-01-499-5687) that is 3.50"L x 28"W x 10.75" deep. Case weight approx. 39 lbs.

**472-MED-4-TOTE-137, Olive Drab, Black Hardware  
NSN 6545-01-499-5676**

- 472-MED-4-TOTE-250, Tan, Black Hardware*
- 472-MED-4-TOTE-133, Gray, Black Hardware*
- 472-MED-4-TOTE-130, Red, Black Hardware*
- 472-MED-4-TOTE-032, Black, Black Hardware*

This four tote medical supply case comes with two sizes of handy totes to hold medical items that you may need quickly. The open easy access totes are made of waterproof polyethylene and have two web handles that make this set a durable, mud resistant mobile system. The set of 4 totes consist of 3 totes (NSN 6545-01-499-5698) that are 7" L x 16.5"W x 10.75" deep and 1 tote (NSN 6545-01-499-5693) that is 5.12" L x 16.5" W x 10.75" deep. The case has a removable lid for fast access, comfort grip handles and edge casters on one end for easy transport with minimal effort. The case comes standard with a pressure equalization vent. This case has interior dimensions roughly 29" long, 18" wide and 10.88" tall (5.6 cu ft.). Case weight approx 39 lbs.

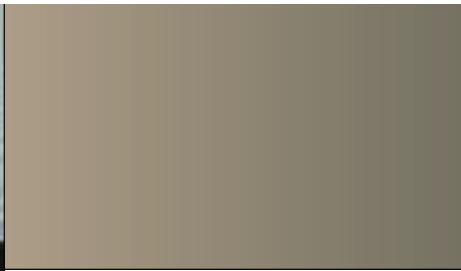

**472-MED-3-DRAWER-137, Olive Drab, Black Hardware  
NSN 6545-01-499-5674**

- 472-MED-3-DRAWER-250, Tan, Black Hardware*
- 472-MED-3-DRAWER-133, Gray, Black Hardware*
- 472-MED-3-DRAWER-130, Red, Black Hardware*
- 472-MED-3-DRAWER-032, Black, Black Hardware*

This three drawer mobile medical cabinet takes only seconds to set up from shipping container to medical cabinet. The case includes one sliding shelf that is used for medical supplies such as BP cuffs and stethoscopes. The lid that becomes a door has an attached zippered pouch for X-rays or any odd shaped items. Interior dimensions are roughly 29" long, 18" wide and 15.5" tall (7.6 cu ft.). Edge casters on one end provide ease of movement, high strength black cobalt hardware and a pressure equalization vent combine to ensure your medical supplies are mobile and ready to use upon arrival. Case includes 3 polyethylene drawers (NSN 6545-01-499-5707) that are 14.5"L x 15.75"W x 6.38" high. Case weight approx. 49 lbs.

**472-MED-4-DRAWER-137, Olive Drab, Black Hardware**

- 472-MED-4-DRAWER-250, Tan, Black Hardware*
- 472-MED-4-DRAWER-133, Gray, Black Hardware*
- 472-MED-4-DRAWER-130, Red, Black Hardware*
- 472-MED-4-DRAWER-032, Black, Black Hardware*

Need 4 drawers? This 4 drawer mobile medical cabinet will serve you well with edge casters for easy transport with minimal effort. The case interior dimensions are roughly 29" long, 18" wide and 15.5" tall in the shipping position. High strength black cobalt hardware and a pressure equalization vent are standard. Case includes 4 drawers (NSN 6545-01-499-5707) that are 14.5" L x 15.75" W x 6.38" high. Case weight approx. 49 lbs.

**472-463L-18-137 (NEW and available March 2004)  
Olive Drab, Black Hardware**

*472-463L-18-133, Gray, Black Hardware*

This medical pallet bin system is equipped with two removable lids so that you have easy access from the front or back to your large volume medical supplies. The case is 4 way forkluckable for easy loading. The cases are designed to fit on a 463L pallet, stacked 2 high for a total of 8 cases per pallet. The medial case comes standard with one adjustable shelf and a pressure equalization vent. Exterior dimensions are roughly 51.88" L x 41.88" W x 46.63 H" (inside cu ft. 35.6). Case weight will be approx. 238 lbs.

**472-FLD-DESK-TA-137, Olive Drab, Black Hardware  
NSN 7110-01-502-5826**

- 472-FLD-DESK-TA-250, Tan, Black Hardware*
- 472-FLD-DESK-TA-133, Gray, Black Hardware*

Yes, this is the Hardigg field desk you have been hearing about. This military proven mobile desk includes a chair, attached table and desk plus 6 removable drawers; two of which are lockable. It's the ultimate transportable medical office unit. Shipping dimensions are roughly 30.75" wide x 21.00" deep x 28.50" high. Empty shipping weight is 81.25 lbs.

**472-FTLK-1-137, Olive Drab, Black Hardware NSN 8145-01-502-9424**

*472-FTLK-1-133, Gray, Black Hardware*

This hardshell tough polyethylene footlocker includes two black removable trays that are 13.5" long, x 13.5" wide x 3.5" high, edge casters for easy moving and a lock ready latch. They're the perfect place to store valuable gear and other medical items in the field and in transport. Interior dimensions are roughly 29" long, 14" wide and 12" tall. Case weight is 23 lbs.

**472-FTLK-LG-137, Olive Drab, Black Hardware**

*472-FTLK-LG-133, Gray, Black Hardware*

If you are looking for a little more space in a footlocker this is just what the doctor ordered. This rugged footlocker has an interior dimension roughly 29" long, 14" wide and 15" tall. Case includes two removable trays that are 13.5" long, x 13.5" wide x 3.5" high, and are black in color. Edge casters and a locking latch complete the system. Hardware is black in color. Case weight is 27 lbs.

**472-MED-30180802-137, Olive Drab, Black Hardware NSN 6545-01-508-5577**

*472-MED-30180802-250, Tan, Black Hardware*

*472-MED-30180802-133, Gray, Black Hardware*

*472-MED-30180802-130, Red, Black Hardware*

*472-MED-30180802-032, Black, Black Hardware*

This strong, tough case packs whatever you need to transport in trunk-style safe security with less weight than traditional wood trunks. With a removable lid, a pressure equalization valve and edge casters on one end this case makes for easy-access as well as mobility. The interior dimensions are roughly 29" long, 18" wide and 10.8" tall (3.25 cu ft.). Case weight is 25.5 lbs.

**472-MED-30181502-137, Olive Drab, Black Hardware NSN 6545-01-508-5590**

*472-MED-30181502-250, Tan, Black Hardware*

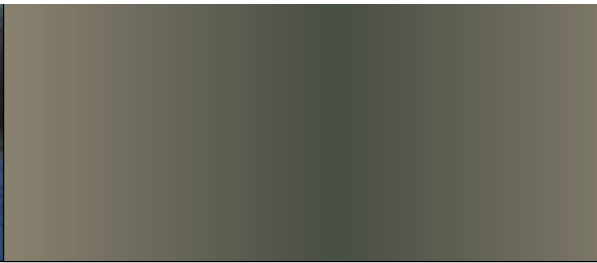

*472-MED-30181502-133, Gray, Black Hardware*

*472-MED-30181502-130, Red, Black Hardware*

*472-MED-30181502-032, Black, Black Hardware*

This case is large enough to transport 5 cubic feet of supplies but small enough to stay in a forward deployed medical tent. This case has a 15 inch deep base and a shallow 2 and half inch lid. Rugged, weather-tight and equipped to roll with edge casters on one end. The interior dimensions are roughly 29" long, 18" wide and 17.5" tall. Case weight is 31 lbs.

**472-MED-30181509-137, Olive Drab, Black Hardware NSN 6545-01-508-5608**

- 472-MED-30181509-250, Tan, Black Hardware
- 472-MED-30181509-133, Gray, Black Hardware
- 472-MED-30181509-130, Red, Black Hardware
- 472-MED-30181509-032, Black, Black Hardware

This midsize medical case is perfect when you need to ship supplies - plus a little extra. With interior dimensions of 29" long, 18" wide and 24" tall (7.25 cu ft.). This trunk style case includes removable lid and edge casters on one end for ease of movement. High strength black cobalt hardware and a pressure equalization valve completes the system. Case weight is 39 lbs.

**472-MED-30183602-137, Olive Drab, Black Hardware NSN 6545-01-508-5584**

- 472-MED-30183602-250, Tan, Black Hardware
- 472-MED-30183602-133, Gray, Black Hardware
- 472-MED-30183602-130, Red, Black Hardware
- 472-MED-30183602-032, Black, Black Hardware

This weather-tight carrier boasts 11.7 cubic feet of transportable protection for large bulky items. This roomy case has interior dimensions roughly 29" long, 18" wide and 38.75" tall. Edge casters and a pressure equalization valve are standard equipment on this supply case. Case weight is 44 lbs.

\* Includes 2" lid depth

- HPX® Resin Shell – High Performance Resin
- Dent & Shatter Resistant – Survives Extreme Temperatures
- Multi-Layer Cubed Foam – User Friendly Customizable Foam
- Watertight/Airtight – Safety Sealed Environment
- Pressure Relief Valve – Protects at Every Altitude
- Press & Pull Latches – Knuckle Friendly Action
- Lock Ready Hasps – Security

Hardigg Storm Cases are injection molded tough-shell cases designed to hold forward deployable medical equipment and supplies. Easily customized foam inserts hold your equipment or gear firmly while our tough resin shell creates a crushproof, watertight, airtight seal to keep the outside environment at bay. These cases hold up to the harshest conditions Mother Nature or anybody else can dish out. Equipped with positive locking, Hardigg patented easy open Press & Pull latches that won't bust your knuckles. Nothing beats the power of the Storm when it comes to keeping your lifesaving equipment protected.
