Defy the Elements[®]

Introducing the NEW iM3300 case

Featuring:

- **Press & Pull latches** - for secure, pain-free opening and closing. Won't pop open when dropped!
- **Watertight construction** - to keep all of your valuables safe and dry!
- **Vortex automatic pressure relief valve** - lets air in and out with changing altitude and temperature, keeps water out!
- **Optional manual valve** - for watertight AND airtight storage. Can be easily installed in place of Vortex valve.
- **Extra-wide, padded handles** - for balancing awkward loads.
- **6 latches and 4 lock hasps** - for keeping your cargo safe. Accepts a standard padlock.
- **Shielded-bearing, urethane wheels** - for a long-life of smooth operation.
- **Lid opens 180°** - to prevent tipping while open.
- **Optional foam interior** - ready for your custom application.
